MUTHOOT HEALTHCARE PRIVATE LIMITED

Muthoot Healthcare carries forward 30+ years of legacy in providing advanced care and treatments. We focus on efficiency, commitment and expertise in the healthcare division. Muthoot healthcare is a center of excellence striving to provide the best healthcare facilities in India. It was founded to function as a new entity targeting to improve health standards and provide it to the common man deprived of better healthcare facilities owing to financial constraints. Our focus is on providing the best but affordable treatments to the common man and introducing them to all the advanced medical facilities. We are committed to serving the community with a spirit of equality while providing treatments seamlessly to all without discrimination. We are striving to encompass high medical standards, incorporate advanced healthcare facilities. We are the torch-bearers of care, safety and integrity. One of the significant aspects of Muthoot Healthcare has been that it has been emphasizing on training of nursing and paramedical professionals in Kerala.

MUTHOOT COLLEGE OF ALLIED HEALTH SCIENCES

Muthoot College of Allied Health Science and Management Studies was instituted in 2005 introducing aspiring paramedical candidates in Kerala to multiple courses in allied health sciences. In the year 2014 we got affiliated to Directorate of Medical education (DME) for Diploma in Dialysis course. We are now affiliated to the Kerala University of health sciences for B.Sc. MLT course.

Our Vision

Our vision is to contribute to society through the pursuit of education, learning and research at the highest international levels of excellence.

Mission

Our mission is to educate students from all over India, including those from the local and rural areas, and from other countries, so they become enlightened individuals, improving the living standards of their families, industry and society. We will provide individual attention, world-class quality education and take care of character building. We are aspire to establish a system of Quality Assurance, which would on a continuous basis evaluate and monitor the quality of education and training imparted at the institute, improve the teaching-learning process and ultimately, develop the institute as a Centre of Excellence.

B.Sc. MEDICAL LABORATORY TECHNOLOGY
(B.Sc. MLT)

1. INTRODUCTION

Bachelor of Science in Medical Laboratory Technology or B.Sc. MLT is an undergraduate 4-year course. In this course professionals are taught about various aspects of health care. The degree in Medical Laboratory Technology provides advanced skills to practicing laboratory professionals in health administration, leadership, quality assurance and health informatics. The course of study enhances student's knowledge and skills in several major categorical areas of medical laboratory technology. Medical laboratory professionals play a critical role in collecting the information needed to give the best care to an ill or injured patient. The fact is that the practice of modern medicine would be impossible without the tests performed in the laboratory.

1.1 Objectives & scope of course :

- To train the students to carry out laboratory investigations accurately and provide reliable reports to facilitate proper diagnosis and prognosis of diseases.
- To develop knowledge and skill in accordance with the demand in the field of Medical Laboratory Technology.
- To produce good Lab Technologists, of Skills, Competence and Integrity
- To make capable to support advance testing activities and Research
- To develop knowledge and skill in accordance with the demand in the field of Medical Laboratory Technology.

4. PROCEDURE FOR SELECTION

- 4.1** Selection will be based on the rank list prepared on the basis of marks obtained in **Physics, Chemistry, Biology (PCB) and English put together** in the qualifying examination.

In case of a tie in the total marks computed for ranking, candidates with higher marks obtained in Biology will be placed higher in the ranking. If the tie still exists, the candidate with higher marks obtained in Chemistry will be placed higher in the ranking. If the tie still exists, the candidate with higher marks obtained in Physics will be placed higher in the ranking. If the tie still exists, the percentage of total marks for the qualifying examination and then the percentage of marks in English in the qualifying examination will be considered for breaking the tie. Even after this, if tie remains, the age of the candidate will be taken into account and the older will be placed higher in ranking than the younger. If the tie still persists, the alphabetical order of the names of the candidates in English will be taken into account (e.g. 'A' has a higher priority than 'B' and so on)

- 4.1** Furnishing false information or particulars would result in the forfeiture of the candidature as well as cancellation of admission to the course. In addition, it will invite the relevant provisions of the criminal law of the land.

- 4.2** After scrutiny of applications, merit list of the different categories will be published in the website of **www.muthoothealthcareahs.com** and on the notice boards of the college. Selection will be strictly in the order of merit. Selected candidates will be intimated through email but are advised to refer college notice boards and appear for the interview and final selection without fail.

5. ADMISSION

- 5.1** For genuine reasons, the Principal will have the right to deny admission to any candidate even if otherwise eligible.

- 5.2** No marks will be allotted for interview.

- 5.3** Selected candidates shall take admission at the appointed time and date in the college after paying the admission fee, tuition fee, caution deposit etc., failing which the offer of admission will be cancelled. Tuition & special fee should be paid at the time of admission.
